## Experiences

**2021**

**Graphic Designer ( Hybrid ) - Larana, Inc.**

Created visually appealing designs aligned with brand guidelines for digital and print materials, including marketing collaterals, social media graphics, and presentations.

Designed corporate presentations and infographics using strong data visualization, typography, and layout skills, ensuring clear storytelling.

Produced engaging social media graphics for organic and paid campaigns, optimizing designs based on performance insights and platform best practices.

Developed responsive email templates and online ads to support marketing initiatives and drive engagement.
